

## NATIVE FRAME DRUM MAKING WORKSHOP

SATURDAY AND SUNDAY AUGUST 21<sup>st</sup> and AUGUST 22<sup>nd</sup>

Windsong Healing Arts will be hosting a frame drum making workshop on Saturday and Sunday, August 21<sup>st</sup> and August 22<sup>nd</sup>, 2010 from 10:00am – 5:00pm both days. Kreig Williams will be here to facilitate and instruct us in creating our own drums. The frame drums will be 15” and all supplies needed are provided in the cost of this workshop. We will be working with natural deer hide and you will choose your own lacing patterns so these drums will be uniquely yours – no two will be alike. Participants will use meditation or the shamanic journey for the creation of their drum and a “drum birthing” ceremony will close the workshop on Sunday. The cost of this workshop is \$80.00 for a one sided drum. The price includes everything needed to create your drum and light snacks. Coffee, tea, and water are also provided. Lunch will be on your own – you may bring your lunch or go to one of the many places to eat nearby. This workshop requires advance registration so we can order all the supplies needed. Registration complete with payment must be made by August 5<sup>th</sup>. Class size is limited to 10 participants. Please see our website at [www.windsonghealingarts.com](http://www.windsonghealingarts.com) or email us at [windsonghealing@sbcglobal.net](mailto:windsonghealing@sbcglobal.net) for registration. You may also call 937-901-1624. Donna Smith and Wayne Derryberry are shamanic practitioners at Windsong Healing Arts.
