

WINDSONG HEALING ARTS SHAMANIC APPRENTICESHIP PROGRAM

The shamanic apprenticeship is an intensive training utilizing advanced core shamanic techniques as well as ceremony, ritual, and techniques from other shamanic cultures. This course is multi dimensional involving required reading, keeping a journal of your experiences, practicing the techniques learned, and working in nature. This apprenticeship is meant to be life changing, challenging you to go deeper into yourself for self empowerment as well as learning how to be of service to others and our planet. We will work with nature and the elemental spirits while developing a shamanic practice that fits into our daily lives. We will work on many layers during this course, encountering our egos and fears along the way. This work is challenging and deeply fulfilling.

This program requires a commitment on the part of the participant to attend each weekend session, complete assignments in between sessions, participate in a peer group discussion between meetings, and be willing to share openly and honestly about experiences. The class size is limited to 8 participants, allowing each participant to receive individual attention and to allow for a cohesive group experience.

The apprenticeship program is designed to be taken over a 2 year time period, meeting 4 – 5 times a year (for a total of 9 meetings). Each weekend meeting will begin at 6:00pm on Friday evening and will close by 6:00pm on Sunday afternoon. Saturday's session will run from 10:00am – 6:00pm (there will be occasional evening ceremonies held on Sat. evening in which case we will revamp the schedule accordingly). Sunday will run from 10:00am – 6:00pm. We will do a camping weekend to experience the spirits of nature and a vision quest at the end of the first year which will begin Fri. evening and go continuously until Sunday late afternoon. These two weekends will be held in various locations so we may fully experience the subject matter. We will meet once during each season so as to experience nature in all of her aspects. The participant will be responsible for meals and lodging (if required). Light snacks, coffee, tea, and water will be provided throughout the weekend. The program will be held at Windsong Healing Arts, 1552 N. Central Dr., Beavercreek, Ohio and outside venues depending on the material being presented

*** A prerequisite for admission to the program is the completion of an Introductory/Basic shamanic journeying course.**

- If you have not taken an introductory course in shamanic journeywork you may visit our website for available dates before the start of the apprenticeship program. You do not need to have the course with us, however if you took a course elsewhere please let us know with whom you studied and when. An ability to do basic shamanic journeying is essential before going deeper.
